

AMERICA SPEAKS: GROW AMERICA STRONGER WITH QUALITY EARLY CHILDHOOD EDUCATION

Across the country, people are taking a stand to ensure children get a strong start in life. Read their stories, see what states and communities are doing and learn what voters are saying with this new website resource.

IN THE MEDIA

Every day, the news shows that Americans are turning to early childhood education as a solution. Get real-time articles from your state and around the country.

STATES TAKE ACTION

States and communities are making early childhood education a priority investment. Visit the website and read highlights about your state and others throughout the country. Then download the report and share it.

VOTER DEMAND

A recent bi-partisan national poll shows overwhelming support for early childhood education—and a desire for Congress to act. Download a poll summary, a detailed report on the findings and share graphics that you can use in your work to spread the word.
