with

QUALITY EARLY CHILDHOOD EDUCATION

Thank you for calling your senator's office about the importance of including early childhood education in ESEA Reauthorization. At the bottom of this page you'll find phone numbers to reach your senator's office in Washington, DC. Please use the script provided below to explain to a member of the senator's staff why you support investing in early childhood education.

PHONE SCRIPT:

Hi, my name is _____, and I live in [city, state].

As a constituent of Senator _____, I urge him/her to support including a dedicated funding stream for early childhood education in the reauthorization of ESEA.

In order for our kids to be successful in school and beyond, we must invest in their education during the younger years. Please support young children and the efforts in our state. As a member of the Senate Committee on Health, Education, Labor and Pensions, please let Chairman Alexander and Ranking Member Murray know you support efforts to include a dedicated funding stream for early childhood education in any ESEA reauthorization.

Thank you for your time and the Senator's consideration.
