

ABCs of Federal Early Learning and Child Care Funding Streams

Every year, millions of children who range in age from birth through five benefit from an array of federal early learning and care programs. While there are different early learning settings and certain programs have distinct requirements, together they form a mixed-delivery system that strives to support the care, education, and healthy development of children, prioritizing children from low-income families, parental choice, and children's individual needs.

Federally Funded Early Learning Support by Ages Served

Early Head Start-Child Care Partnerships (EHS-CCP)

What It Does

Early Head Start grantees partner with child care providers—both home- and center-based—who serve children receiving child care subsidies to help them meet Head Start standards and provide comprehensive wrap-around services.

32,905

Number of Children Served in 2021¹

490

Grants Awarded

Head Start & Early Head Start

What It Does

Funds public and private organizations and tribal entities to deliver comprehensive early learning, health, nutrition, and family support services to children birth through age five and pregnant women who are living in poverty.

Who It Serves

Children from families with income below federal poverty guidelines (under \$27,750 for a family of 4); who are receiving TANF, SNAP, or Supplemental Security Income (SSI); or who are experiencing homelessness; children in foster care; Early Head Start serves pregnant women and children birth to three, while Head Start serves children ages three through five.

Child Care & Development Block Grant (CCDBG)

What It Does

Funds states, territories, and tribal entities to develop and implement a subsidy program for low-income families with children under age 13 (the majority of children served are under 5; subsidies can be used for care of children ages 5-13 while they are not in school) and improve the quality of child care available.

Who It Serves

Children from families with income below 85% of the state median income (85% of the U.S. median is \$80,527 for a family of 4⁶); additional state limits allowed.

- \$3,550,000,000 mandatory

Maternal, Infant, and Early Childhood Home Visiting (MIECHV)

What It Does

Funds states, territories, and tribal entities to develop and implement evidence-based, voluntary home visiting services to families considered at-risk; home visitors meet with parents one-on-one from pregnancy through their child's kindergarten entry to help lay the foundation for the health, education, development, and economic self-sufficiency of the entire family.

Who It Serves

Children from families living in "at-risk" communities as identified in a statewide needs assessment.

\$500,000,000

FY 2023 Funding (\$100 million above FY 2022)

Preschool Development Grant Birth Through Five (PDG B-5)

What It Does

Competitive grant program to help states strengthen early childhood systems for children from birth through age five. In the first year, funds state-level needs assessments and strategic planning with the goals of: maximizing parental choice, improving transitions within early care and learning programs and with elementary schools, and improving overall quality of programs.

Who It Serves

All 56 states, territories, and commonwealths were eligible to apply for initial grants.

48 jurisdictions

Received 3-year implementation grants

54 jurisdictions

Received initial planning grants

\$315,000,000

FY 2023 Funding (\$25 million above FY 2022)

Temporary Assistance for Needy Families (TANF)

What It Does

Awards block grants to states to design and operate programs that help low-income families achieve self-sufficiency, including child care, state preschool, and other early education programs.

Who It Serves

Financially needy families with children; exact financial eligibility rules and benefit amounts are determined by states, which have discretion over program requirements.
