# Child Care and Early Education in Mississippi

In Mississippi, federal and state early learning opportunities serve more than 40,168 children and families,<sup>1</sup> or 18% of children birth through age 5.<sup>2</sup>

High-quality early care and education (ECE) is proven to dramatically improve a child's opportunities for a better future while offering parents greater job stability and overall economic security.

## The Economic Impact

Access to affordable, high-quality child care can increase parental labor force participation and family economic stability. However, widespread problems finding and paying for child care adversely affect both state and national economies. As a direct result of child care issues, the national economy loses \$122 billion annually in the form of lost earnings, productivity, and revenue.<sup>7</sup> In Mississippi: The estimated annual economic impact of the infant-toddler child care crisis: \$659M.<sup>8</sup>

## Families Lack Access to High-Quality ECE Options in Mississippi

The high cost and limited supply of quality ECE have created serious challenges for many families.

### Unmet Need

**218,664** Children Birth Through Age Five<sup>3</sup>

**29%** of Children Birth Through Age Five Living in Poverty<sup>4</sup>

**65%** of Children Birth Through Age Five With All Available Parents in the Workforce<sup>5</sup>

**18%** of Children Birth Through Age Five Served By Federal- and State-Funded Early Learning Opportunities<sup>6</sup>

Note: 1,2,6: These figures include beneficiaries of Head Start, Early Head Start, CCDF, MIECHV, state-funded Pre-K, and IDEA Parts B, Sec. 619 and C. In some cases, children and families are served by more than one program.

There are several early learning programs that provide working families with access to high-quality, affordable ECE opportunities, but currently the demand for care far outweighs the supply, and funding constraints leave many eligible children unserved. Each of these programs has its own eligibility requirements, purpose, and service delivery model. Together they form a mixed-delivery system that supports parental choice and aims to meet children's individual needs.

## Child Care & Development Block Grant (CCDBG)

**13,923** Children Birth Through Age Five Served<sup>9</sup>

Eligible Children Birth Through Age Five Served<sup>10</sup>

## Maternal, Infant, and Early Childhood Home Visiting (MIECHV)

**656** Families Served<sup>15</sup>

Learn more about MIECHV in Mississippi [here](#).

## State-Funded Pre-K

**2,807** Children Enrolled<sup>16</sup>

of three- and four-year-old children attend public ECE<sup>17</sup>

## Early Head Start

**3,347** Children Enrolled<sup>11</sup>

Eligible Children Served<sup>12</sup>

## IDEA Part C

**1,592** Children Served<sup>18</sup>

## IDEA Part B, Sec. 619

**3,821** Children Served<sup>19</sup>

## Head Start

**14,022** Children Enrolled<sup>13</sup>

Eligible Children Served<sup>14</sup>

## Child and Dependent Care Tax Credit (CDCTC)

Through the tax code, the CDCTC helps parents with the cost of work-related child care expenses.

## Early Care and Education (ECE) in Mississippi Snapshot

### Accessibility

Many families struggle to find the care they need.

- **48%** of Mississippi residents live in a “child care desert.”<sup>20</sup>
- **Hispanics/Latinos and rural families** are disproportionately represented among those who live in a “child care desert.”<sup>21</sup>
- **2%** of children under age 3 receive early intervention services.<sup>22</sup>

### Affordability

The cost of ECE is too expensive for many families.

- The annual price of center-based infant care is **\$7,280**, and home-based infant care is **\$5,980**.<sup>23</sup>
- Families receiving a CCDBG subsidy pay between **\$10** and **\$220** per month for one child in care.<sup>24</sup>
- A two-parent household spends **7%** of their income on child care, while HHS defines spending over 7% to be a burden.<sup>25</sup>

### ECE Workforce

Early childhood educators have some of the lowest paying jobs in the United States, earning poverty-level wages.<sup>26</sup>

- **\$21,430** child care worker annual salary (\$10.30 per hour).<sup>27</sup>

### Program Quality

Program quality varies substantially across and within states.

- **Met 10/10** of NIEER’s Quality Standards Benchmarks for state-funded pre-K programs. Only 5 states met all 10 benchmarks in 2022.<sup>28</sup>
- **23%** of children received developmental screenings at 9, 18, and 30 months in the past year.<sup>29</sup>

## Federal and State ECE Funding in Mississippi

Federal funding is foundational to providing ECE.

state investment

- \$228M ● Head Start and Early Head Start<sup>30</sup>
- \$100.6M ● CCDBG and Mandatory Funds<sup>31</sup>
- \$3M ● MIECHV<sup>32</sup>
- \$6.1M ● IDEA Part C<sup>33</sup>
- \$6.5M ● IDEA Part B, Sec. 619<sup>34</sup>
- \$1.7M ● TANF Early Learning and Care Expenditures<sup>35</sup>
- \$8.1M ● PDG B-5<sup>36</sup>
- \$8.8M ● State-Funded Pre-K<sup>37</sup>
- \$4M ● CCDBG State Match<sup>38</sup>
- \$2.4M ● PDG B-5 State Match<sup>39</sup>

Mississippi received an additional \$699M through COVID-19 relief.<sup>40</sup>

### Spotlight: ECE Successes in Mississippi

#### COVID-19 Relief:

Throughout the pandemic, there was strong bipartisan support for federal relief funding to keep the child care sector afloat.

- As a result, **1,090** child care programs in Mississippi received support, impacting up to **85,100** children.<sup>41</sup>
- These funds also allowed states to demonstrate what would be possible when equipped with additional resources. Funds have been used to stabilize and support the early childhood sector. The Child Care Strong grants provided base award payments based on information from the most recent Market Rate Survey regarding the cost of care. Additional funds were given to providers that met certain criteria, such as serving children receiving subsidies and providing 24-hour care.\*

#### Preschool Development Grant Birth Through Five (PDG B-5):

PDG B-5 is a competitive federal grant designed to improve states’ early childhood systems. In their 2023 renewal grant application, among other uses, Mississippi noted that they would use funding to:

- **Offer up to 100 start-up grants to programs that will increase subsidy slots in rural areas for infants/toddlers, children with special needs, and extended hours care.**
- **Implement a warmline for home-based providers,** offering free support, advice, and answers to questions related to providing high-quality child care.\*\*
