

# Child Care & Early Learning in North Dakota

In North Dakota, federal and state early learning opportunities serve more than **9,403 children** and families,<sup>1</sup> or **15% of children** ages 5 and under.<sup>2</sup>

High quality child care and early learning programs support child development and offer parents peace of mind while they work or attend school.

In the U.S., the demand for quality care far outweighs the supply, with more than **30% of working families** with young children unable to access the formal care they want or need.<sup>3</sup> While there are several federally funded programs that help working families access quality child care opportunities, limited funding leaves many eligible children unserved. The impacts of these challenges extend beyond families and carry over to the workplace. As a direct result, the national economy loses **\$122 billion annually** in the form of lost earnings, productivity, and revenue.<sup>4</sup>

## PROGRAM REACH

Below is a list of existing child care and early learning programs which together form a mixed delivery system that supports parental choice and aims to meet children's individual needs. These programs have unique eligibility requirements and service delivery models. However, at current funding levels, each only reaches a fraction of eligible families.

## STATE OF EARLY LEARNING & CARE IN NORTH DAKOTA

### NEED

**61,468**

Children 5 & Under<sup>5</sup>

**72%**

Children 5 & Under with All Available Parents in the Workforce<sup>6</sup>

### SUPPLY

**462**

Licensed Child Care Centers in 2024 (+59 from 2023)<sup>7</sup>

**657**

Licensed Family Child Care Homes in 2024 (-63 from 2023)<sup>8</sup>

### IMPACT

**\$354M**

Estimated Economic Impact of Child Care Challenges Each Year<sup>9</sup>

### COST\*

**\$12,299**

Annual Price of Center-Based Care (\$1,025 per month)<sup>10</sup>

**\$10,141**

Annual Price of Home-Based Care (\$845 per month)<sup>11</sup>

**9.4%**

Portion of Median Married-Couple Family Income (\$131,059) Spent on Center-Based Care<sup>12</sup>

**34.5%**

Portion of Median Single-Parent Family Income (\$35,660) Spent on Center-Based Care<sup>13</sup>

*\*estimates are based on price of infant care for one child*

### CHILD CARE & DEVELOPMENT BLOCK GRANT (CCDBG)

19,046 CHILDREN 5 & UNDER ELIGIBLE<sup>14</sup>  
2,272 CHILDREN 5 & UNDER SERVED<sup>15</sup>

ELIGIBLE CHILDREN  
5 & UNDER SERVED<sup>16</sup>

*Based on federal eligibility (85% SMI)*

### HEAD START PRESCHOOL

3,480 CHILDREN ELIGIBLE<sup>17</sup>  
1,873 CHILDREN ENROLLED<sup>18</sup>

ELIGIBLE  
CHILDREN  
SERVED<sup>19</sup>

### EARLY HEAD START

3,480 CHILDREN ELIGIBLE<sup>20</sup>  
606 CHILDREN ENROLLED<sup>21</sup>

(PRESCHOOL SPECIAL  
EDUCATION)  
1,754 CHILDREN SERVED<sup>28</sup>

# NORTH DAKOTA: FEDERAL AND STATE CHILD CARE AND EARLY LEARNING FUNDING

## STATE INVESTMENT

- \$5.5M State-Funded Pre-K<sup>38</sup>
- \$4.8M CCDBG State Match<sup>39</sup>
- N/A PDG B-5 State Match<sup>40</sup>

## FEDERAL INVESTMENT

- \$23.6M CCDBG and Mandatory Funds<sup>29</sup>
- \$29M Head Start Preschool<sup>30</sup>  
(includes AIAN when applicable)
- \$11.2M Early Head Start<sup>31</sup>  
(includes AIAN when applicable)
- \$0 PDG B-5<sup>32</sup>
- \$1.3M MIECHV<sup>33</sup>
- \$2.6M IDEA Part C<sup>34</sup>
- \$901,424 IDEA Part B, Sec. 619<sup>35</sup>
- \$0 TANF Early Care and Education<sup>36</sup>
- \$0 TANF Transferred to CCDBG<sup>37</sup>

## CCDBG

CCDBG allows states to provide child care assistance to low-income working families with children under age 13, helping parents access child care in a setting of their choice.

### In North Dakota:

- 942 child care providers accept CCDBG subsidies.<sup>41</sup>
- Eligibility is capped at 75% of State Median Income.<sup>42</sup>
- A family of three is eligible if they make \$6,463/month or less (\$77,556/year).<sup>43</sup>
- With a subsidy, a family of three pays a maximum monthly co-payment of \$511/month, compared to \$1,025/month without.<sup>44</sup>

State Lead Agencies must establish child care licensing requirements that ensure children are cared for in safe, quality environments. Different rules may apply depending on the setting (e.g., center or home-based) and some providers may be exempt from licensing requirements (e.g., faith-based programs).

Appropriate teacher-child ratios are crucial to ensure safety, quality, and individual attention. Licensed center-based care providers in North Dakota must meet the following ratios:<sup>45</sup>

INFANT	1:4
TODDLER	1:5
PRESCHOOL	1:7 for age 3 1:10 for age 4 1:12 for age 5 for Center & Group Licenses

## HEAD START

Head Start Preschool and Early Head Start (collectively referred to as “Head Start”) provide a continuum of high-quality early learning and comprehensive services that support health and development, and strengthen family well-being. Federal funds go directly to local grantees, with programs in every congressional district (explore Head Start’s reach in these [maps](#)).<sup>46</sup>

In North Dakota, there are 13 Head Start grants, which fund 56 program sites and serve 2,479 children.<sup>47, 48, 49</sup>

Children are eligible if their family income is below the federal poverty line, they are receiving TANF, SNAP, or SSI, or if they are in foster care or experiencing homelessness. Additionally, programs are expected to reserve at least 10% of slots for children eligible for services under the Individuals with Disabilities Education Act (IDEA).

## PDG B-5

Preschool Development Grants Birth through Five (PDG B-5) is a competitive federal grant designed to improve states’ early childhood systems. To date, North Dakota has been awarded \$22.5M in PDG B-5 funds.<sup>50</sup> North Dakota’s PDG B-5 plans have included:<sup>51</sup>

- Expand efforts to develop an Early Childhood Integrated Data System and rebrand the Insight data system to reflect the full spectrum of data offerings.
- Revise early childhood career pathways, pilot a high school to Child Development Associate (CDA) pathway, and develop an articulation plan for those who obtain a CDA.

Learn more with the PDG B-5 grantee map [here](#).<sup>52</sup>

## CDCTC

The Child and Dependent Care Tax Credit (CDCTC) directly helps working parents offset the cost of child care. In 2025, the CDCTC was permanently updated for the first time since 2001. Many filers could see their credit increase by as much as \$450 (for one child) or \$900 (for two+ children).<sup>53</sup> In North Dakota, 19,620 taxpayers claimed the CDCTC in 2022.<sup>54</sup>
